

# Mini Sensory Bottle

---

**Supplies included: bottle, rice(dyed with food coloring), buttons, sequins, beads, and more!**

**1. Alternate adding rice and the small items to the bottle until it is full. Feel free to add your own small trinkets!**

**2. You can use this as an I Spy game while in the bottle or dump it into a bowl/cookie sheet for sensory play(check with an adult first)!**
